2009 YL SIG online Sat. Feb 7th. 12:00 GMT online

Web 2.0 Honing Social Skills **RITA ZEINSTEJER** Web 2.0 Honing Social Skills

Notes on simple technical preparation here: <http://ylsig.pbwiki.com/FrontPage>

This year, in addition to the usual programme of fielded discussions, we are adding a series of presentations which will be delivered live, online. Typically, the presenter, who uses voice, has a whitescreen at his/her disposal and can show images and slides. The participants listen and can interact using a chat (write) facility.

Rita's session will be on

Sat. Feb 7th.
12:00 GMT
online

This chart will give the GMT time in your local time:

<http://tinyurl.com/canlke>

We are acutely aware that the time may be inconvenient for some people, but that is one of the disadvantages of working internationally and synchronously. There are MANY offsetting advantages.

*EFL Teacher- Advanced Courses, Self Access, Laboratory and Multimedia Coordinator at Asociación Rosarina de Cultura Inglesa, Cambridge Oral Examiner, CALL SIG Coordinator at APriR since 2001, CALL Consultant. Presenter of different papers at national and international Seminars and Congresses (APriR, TESOL, IATEFL, FAAPI, LABCI) and in online conferences (Global Day 5 and 10, EV Online 2002/ 03/ 04/ 05/ 06/ 07/ 08, Networking 2002), on ICT (Information and Communication Technology) and CMC (Computer Mediated Communication) for Language Learning. Member of an online Community of Practice, **Webheads in Action** (http://www.geocities.com/vance_stevens/papers/evonline2002/webheads_evo.htm), aimed at doing research on the use of CMC Tools for Language Learning*
